ABOUT US

At GRID Accounting, we focus on solving financial challenges for businesses and individuals. With extensive corporate experience, we provide tailored accounting services and financial advice. Our professional team ensures reliability, transparency, and personalised service, whether you need compliance support for a business or tax clarity as an individual.

OUR HISTORY

GRID Accounting aims to simplify financial management for businesses and individuals. Initially focused on core accounting services, it has expanded to include tax, company secretarial, and advisory support. Committed to accuracy and personalised service, GRID Accounting has grown its expertise and client base, reflecting a dedication to practical solutions and long-term success.

OUR SERVICES

We offer a full suite of accounting services to ensure your business operates efficiently and remains financially healthy. Core areas include:

- Self-Assessment Tax Returns
- Company Secretarial Services
- Annual Accounts
- Corporation Tax Returns
- Bookkeeping
- VAT Returns
- Payroll
- Business Valuations

OUR COMMITMENT

GRID is dedicated to providing timely, accurate, and compliant accounting services. Clients trust us for clear financial insights and adherence to changing regulations. We prioritise long-term relationships and offer reliable, personalised support.

WHY CHOOSE GRID?

We combine precise accounting with strategic thinking to support your business at all stages. Our personalised solutions simplify operations, optimise tax positions, and facilitate future growth, providing clarity, compliance, and confidence. With a hands-on approach focused on long-term value, we guide you in making smarter financial decisions.

SELF-ASSESSMENT TAX RETURNS

Confidently manage your personal tax responsibilities.

We simplify the self-assessment process, ensuring full compliance and peace of mind. Whether you're a sole trader, landlord, or director, we help maximise deductions and minimise liabilities with strategic, timely submissions.

KEY SERVICES:

TAX OPTIMISATION

Our team carefully reviews your income sources, allowable expenses, and applicable reliefs to ensure your tax return reflects every opportunity for legal savings. We help you keep more of what you've earned while staying compliant.

ACCURATE FILING & DEADLINES

From data collection to HMRC submission, we manage the full process. We double-check all figures and documentation, ensuring your return is accurate and submitted well within deadlines, so you can avoid penalties and stress.

COMPANY SECRETARIAL SERVICES

Reliable support for your statutory obligations.

Let us handle the essential governance tasks that keep your company compliant and structured, so you can focus on running your business.

KEY SERVICES:

ANNUAL COMPLIANCE

We prepare and submit your Confirmation Statements, maintain your statutory registers, and ensure your business complies with all ongoing filing obligations. You'll always know your legal standing is secure.

DIRECTOR & SHAREHOLDER MANAGEMENT

Whether appointing or removing directors, updating shareholdings, or issuing new shares, we handle the documentation and filings efficiently, ensuring every corporate change is properly recorded and compliant.

ANNUAL ACCOUNTS

Insightful year-end reporting that tells your financial story.

We don't just compile numbers, we help you understand what they mean. Our annual accounts highlight key metrics, trends, and opportunities to support better business decisions.

KEY SERVICES:

FINANCIAL STATEMENT PREPARATION

We prepare clear, compliant financial statements that meet Companies House and HMRC standards. Every balance and note is cross-checked to reflect your business activity accurately.

PERFORMANCE ANALYSIS

Our reports go beyond compliance by showing you how your business is performing. We provide insights on margins, costs, growth, and cash flow to support strategic planning.

CORPORATION TAX RETURNS

Minimise tax liabilities and stay compliant.

We take the burden of corporate tax off your shoulders with accurate, timely submissions and strategic tax planning designed to legally reduce your tax obligations.

KEY SERVICES:

TAX CALCULATION & FILING

Our experts calculate your Corporation Tax with precision, taking into account allowable deductions and reliefs. We complete and file your CT600, ensuring your obligations are met with zero guesswork.

RELIEF & ALLOWANCE PLANNING

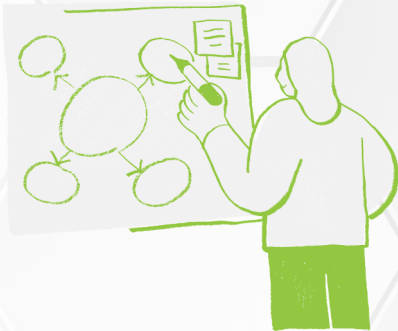

We assess your eligibility for reliefs such as capital allowances or R&D credits, and work these into your tax strategy to ensure you're not missing out on valuable savings.

BOOKKEEPING

Accurate records, reliable decisions.

A strong financial foundation starts with good bookkeeping. We maintain clear, organised records to help you track performance, remain compliant, and make informed decisions with confidence.

KEY SERVICES:

DAY-TO-DAY TRANSACTION MANAGEMENT

We log income, expenses, receipts, and payments with consistent accuracy, ensuring your records are always up to date and ready for reporting or audits.

MONTHLY RECONCILIATION

Each month, we reconcile your accounts to catch any discrepancies early and maintain clean, trustworthy records. This also provides visibility on cash flow and outstanding balances.

VAT RETURNS

Clear, compliant VAT handling, without the complexity.

From small businesses to larger operations, we make VAT effortless. Our experts ensure that all submissions are accurate, on time, and optimised for your VAT scheme.

KEY SERVICES:

VAT CALCULATION & FILING

We calculate your VAT returns based on your business activity, ensure compliance with HMRC guidelines, and submit your return on your behalf, leaving no detail overlooked.

VAT SCHEME GUIDANCE

We advise on the most appropriate VAT scheme for your business, and assist with registration, switching schemes, and ongoing compliance, so you can operate efficiently and avoid costly errors.

PAYROLL SERVICES

Effortless, compliant payroll - every time.

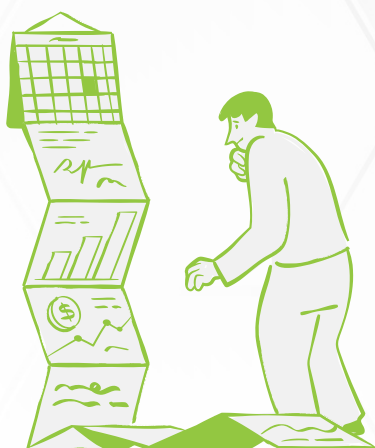

Our payroll services cover everything from payslip generation to HMRC submissions. With us, you get accuracy, punctuality, and peace of mind, every pay cycle.

KEY SERVICES:

HMRC & COMPLIANCE MANAGEMENT

We handle payroll tax calculations, National Insurance, pension contributions, and real-time information (RTI) submissions to HMRC. Everything is compliant and taken care of on your behalf.

CIS & P11D REPORTING

Whether you need Construction Industry Scheme (CIS) support or assistance with P11d reporting for employee benefits, we manage the process and provide accurate, timely documentation that keeps you on the right side of regulations.

BUSINESS VALUATIONS

Know the true worth of your business.

Whether for sale, investment, dispute resolution or planning, our expert valuations provide an accurate picture of your business's current value, based on data-driven analysis and market insight.

KEY SERVICES:

MERGERS & ACQUISITIONS

We deliver valuations tailored for transaction purposes, considering financial performance, assets, goodwill, and market trends to support fair negotiations and informed decisions.

SHAREHOLDER DISPUTES & EXIT PLANNING

In times of internal change, we provide impartial valuations that help resolve disputes or facilitate planned exits. Our reports give both parties a clear, unbiased understanding of business value.

WHY CHOOSE US?

We combine accounting accuracy with practical insight. Whether you're looking to streamline your operations, reduce tax, or plan your next move, our tailored approach ensures you're always one step ahead. Our team of experts is dedicated to understanding the unique challenges and opportunities that your business faces. We pride ourselves on delivering solutions that are not only effective but also sustainable, helping you build a strong foundation for future growth. With our innovative strategies and personalised service, you can confidently navigate the complexities of the financial landscape. Partner with us, and experience the difference that a truly client-focused firm can make.
